Brownsburg, IN 46112

To the Employees of Summers Plumbing, Heating & Cooling,

Messiah Lutheran Church is so thankful to receive your generous food donation. We feel truly blessed to be a part of such a wonderful community. Multiple families will be touched by the blessings you have provided. Without your help, the food pantry would not be able to continue the mission of distributing food boxes weekly to those in need!

Thank you for your kindness and may God bless you.

Financial Administrator

P.S. We greatly appreciate all the help unloading the food donation. In addition, your employees helped us set-up our sorting tables. They definitely went above and beyond!!  
Thanks Again!
